Please check the exams you will participate in.

The IMC (International Mathematical Contest) will be conducted as follows this year.

1. Middle and high school Individual Math Contest () -February 2, 2024 -The exam registration period is from January 10th to January 26th, 2024, until 10:00 PM EST
2. Middle and high school Team Round Math Contest () -February 23, 2024 -The exam registration period is from January 10th to February 16th, 2024, until 10:00 PM EST
3. Middle and high school IMC Math Modeling Contest () -March 29, 2024 -The exam registration period is from January 10th to March 15th, 2024, until 10:00 PM EST
4. Middle and high school Team Round Math Contest () -April 26, 2024 -The exam registration period is from January 10th to April 17th, 2024, until 10:00 PM EST
5. Middle and high school Trigonometry & Geometry Individual Contest () -May 17, 2024 -The exam registration period is from January 10th to May 9th, 2024, until 10:00 PM EST

Registration for the exams must be done by the school teachers and University professors, and schools interested in

participating should have their teachers send the application form directly. If you need the application form, please let us

know, and we will send it to you via email. (imc@imc-impea.org)

The number of participants in the contest

※ The Grade 8 exam is open to students in Grade 8 or below, the Grade 10 exam is open to students in Grade 10 or below,
and the Grade 12 exam is open to students in Grade 12 or below.

1. Middle and high school Individual Math Contest
-February 2, 2024

	Number of Students
Grade 8	
Grade 10	
Grade 12	

2. Middle and high school Team Round Math Contest
-February 23, 2024
-Up to four members per team are allowed

	Number of Teams
Middle School	
High School	

3. Middle and high school IMC Math Modeling Contest
-March 29, 2024
-Up to four members per team are allowed

	Number of Teams
Middle School	
High School	

4. Middle and high school Team Round Math Contest
-April 26, 2024
-Up to four members per team are allowed

	Number of Teams
Middle School	
High School	

5. Middle and high school Trigonometry & Geometry Individual Contest
-May 17, 2024

	Number of Students
Middle School	
High School	

Guidelines

1. Please fill out the application form, take a photo, and send it to imc@imc-impea.org.
2. Once we receive your application, we will provide detailed information about the exam.
3. Institutions other than schools wishing to register as exam centers will be informed of the feasibility through a separate document review process (takes 2-3 days).
4. When applying for the exam as a school teacher or university professor, please make sure to use your school email.
5. The exam papers will be provided in PDF format before the exam. Both paper-based and online exams via Zoom are possible.
6. For the Team Round Test and Modeling Test, students from different schools, countries, and regions can be grouped together in one team.

Contest Fees

1. For Individual Tests, the cost is \$130 per 10 participants.
 2. For Team Round Tests, the cost is \$30 per team .
 3. For Math Modeling Tests, the cost is \$25 per team.
- Upon receiving your application, we will guide you on the total exam fees to be paid and the payment process.

Address: One Sansone Street, Suite 3500, San Francisco, CA
